

METANANO SCHOOL ON ADVANCED MICROWAVE TECHNOLOGIES AND METHODS

GMT+8	15 September, Monday	GMT+8	16 September, Tuesday	GMT+8	17 September, Wednesday	GMT+8	18 September, Thursday	GMT+8	19 September, Friday
	Arrival of Participants	9:00 9:30	Registration						
		9:30 9:45	Opening Ceremony	9:00 12:00	Modeling Classes	9:00 12:00	Laboratory Experiments	10:00 12:00	Project Defenses
		9:45 10:45	Sergei Kuznetsov Novosibirsk State University Quasi-Optical Measurement Techniques and Characterization of Metasurfaces in the Millimeter-Wave Range						
		10:45 11:00	Break						
		11:00 12:00	Vyacheslav Ivliev ITMO University Design and Modeling of Microstrip Antennas for GHz- Range Applications						
		12:00 13:30	Lunch	12:00 13:30	Lunch	12:00 13:30	Lunch	12:00 13:30	Lunch & Closing Ceremony
		13:30 14:30	Nikolay Solodovchenko ITMO University Electromagnetic Scattering, Mie Resonances, and Quasi- Normal Mode (QNM) Expansion	13:30 18:00	Modeling Classes	13:30 18:00	Laboratory Experiments	13:30 18:00	Activities Free time
		14:30 14:45	Break						
	17:00	Registration and Welcome Dinner	14:45 15:45	Kristina Popova ITMO University Design of RF Coils for Magnetic Resonance Imaging (MRI)	18:00 20:00	Dinner	18:00 20:00	Dinner	18:00 20:00
18:00 20:00			Dinner
